

SPRING

2017

Clothing Our Kids celebrates our 5th year in 2017. We are all grown up, but our mission has not changed.

How do you like our new logo?

For the current school year we have helped 3,283 kids with 17,812 pieces of clothing. Since our inception: 10,966 kids & 58,431 items!!!!

As we celebrate our fifth anniversary, we have many things to be thankful for:

Our new Board of Directors is in place. They bring us a great deal of knowledge that encompasses fund raising to technical expertise to business savvy.

Our Volunteer Center continues to improve its ability to meet the kids' needs. We have a new racking system courtesy of NIKE and a 10x40 storage locker thanks to our landlord.

The ranks of our volunteers keep growing. People are in place to apply for grants, increase our community outreach, design & distribute our literature, and to man the volunteer center.

And, we do all this without a single paid person!!!

"The Kid's Korner"

COK has been named a "Charitable Partner" with WMDT in Salisbury, Md.

This honor provides us with \$25,000 of free advertising on their 8 networks including ABC 47, CW3 and MeTV.

Look for our infomercials, which will run through the end of 2017.
