CLOTHING OUR KIDS (COK) APPRECIATES CHICK-FIL-A IN REHOBOTH FOR THEIR COOKIE FUNDRAISER – ENJOY COOKIES GIVE WARMTH

Contact kblouin@clothingourkids.org

Clothing Our Kids (COK) was very impressed with the creativity and generosity of Chick-fil-A in Rehoboth Beach. During December, Chick-fil-A donated a part of the proceeds from the purchase of their yummy Chocolate Chunk Cookies to COK. Who doesn't love COOKIES and while satisfying sweet teeth, those who consumed them were contributing to keep kids warm during the winter season.

Owner/Operator Jacob Digges said: "I just think COK is a great local charity that has a big impact on our local community which is why we chose to support you guys." Chick-fil-A is also a Sponsor of the COK Golf Outing. The Sussex County school children in need rely on businesspeople like Chick-fil-A to wrap their arms around them so they have an equal standing in school. The funds provided by this innovative program will enable quite a few kids to attend school with pride, help decrease bullying, increase self-esteem, and fully focus on learning!

As Founder Mary Rio recently said: "It's not just about new clothes, it's about a new life."
