Help *Clothing Our Kids* provide Five new school outfits for our needy children of Sussex County • Checks accepted: Make payable to "Clothing Our Kids"

The mission of Clothing Our Kids is to improve the lives of at-risk Head Start through middle school age children by providing them with appropriate school clothing. In Sussex County many children do not have essential school clothing which has a direct negative impact on their self-esteem, their school attendance, their ability to learn, and can lead to bullying. It is our goal to assist these youngsters with an equal start in their early education and help them become successful student.
