

Our approach to learning is simple.

Let them **DRESS** for **SUCCESS**.

"Thank you guys for the shoes and clothes. I love all the stuff. I appreciate you for doing nice things. It put a smile on my face when I got the shoes and clothes. I just want to say thank you for helping me with the things I was struggling with. Thank you so much."

- From one of our kids!

C is for Clothing

COK has provided over 221,000 items of clothing to approximately 36,000 kids!

Clothing Our Kids depends on a network of community partners as the primary source of referrals. Requests for clothing packages are accepted from the staff of these Sussex County partners:

- Head Start Programs
- Pre-K and Elementary Schools
- Middle Schools and High Schools
- Boys & Girls Club of Delaware
- YMCA of Delaware

O is for Our Mission

Our Mission is to improve the lives of at-risk Head Start, Elementary School, Middle School and High School students by providing them with appropriate school clothing. In Sussex County, many children do not have essential school clothing which has a direct negative impact on their self esteem, their school attendance, their ability to learn, and can lead to bullying. It is our goal to provide them with proper clothing and help them become successful students and adults.

"Speaking for myself and our club, if we could help only one charitable group, it would be COK. Your organization is doing God's work, and we're happy to be a part of that."
